Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The problem here is clear. The permission for the adjacent development was entirely unambiguous. There was no intention to imply that change of use for this site would be accepted, permission was clearly limited to the boundaries of the existing property. As a matter of principle and good practice, the application should be refused and the land restored to an undeveloped corridor.

Kind regards
