Amendments to the Application Form

Identification Of Tree(s) And Description Of Works - Please identify the tree(s) and provide a full and clear specification of the works you want to carry out

Previous Answers:

T1 - Reduce the left stem by 3m. This stem is growing horizontally and needs a serious weight reduction to stop it from failing. The main stem is to be reduced by 1m to keep it in check. We will also reduce it back from the neighbours roof by 1.5m
The reason we would like this work completed is to tidy our gardens but maintain a natural habitat for birds and also to reduce the height and weight of some of the trees in order to improve their shape and keep them safe.
