RE: ***Application description***
Proposal: Replacement wind turbine (74Metres high) in alternate location with 2No. Green housing cabinets

Site address: Field South Of Tick Fen Farm Puddock Road Warboys

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that the existing access to Tick Fen Farm will be used which is already adequate for HGV use. Therefore, no significant adverse effect upon the Public Highway should result from this proposal should it gain benefit of Planning Permission.

The Local Highway Authority raises no objections to the proposed development.
