Subject: Planning Application - ref: 25/00709/PIP

Proposal: Permission in principle for up to 3 dwellings at Land North of 76 Owl End Great Stukeley

The notice time is very short - given that it also includes as Bank Holiday. [redacted]

[redacted]

[redacted], as their new build has been erected so close to my property boarder that I find it overbearing.

These 3 further houses will completely close me in and the building of them will be as dreadful, if not more so, as it was when they built their most recent dwelling.

And where will access be to these properties? Yet more cars driving up and down this quiet country lane.

Owl End is a recreational lane for villagers to walk their dogs, children and adults to cycle along or walk along in safety [redacted] proposal to build houses along this beautiful and much loved lane.

[redacted]
76 Owl End, Great Stukeley PE28 4AQ
