25/80137/COND|Discharge of Condition 10 (Archaeology) on 25/00394/FUL|21 Church Road Great Stukeley Huntingdon PE28 4AL

Dear Hannah,

Thank you for the consultation with regards to the discharge of the archaeological condition. We can confirm we have seen and approved the WSI for the archaeological evaluation of both this site and the site covered by 24/01734/FUL. This is the WSI for evaluation only and therefore we would recommend the condition is retained in full at this stage to allow for further work if necessary as per paragraph 1.6 of the document itself.

Kind regards
Lu
