Welcome to your new home

Station Quarter has good bus connections with regular services to the surrounding area.

To see if bus travel suits your needs and offers a realistic alternative to travelling by car, each new household is being offered a three month bus pass.

If you wish to receive a free three month bus pass, please fill out your details on the page overleaf and return the form via email to stationquarter@mayerbrown.co.uk or in the pre-paid envelope provided.

I look forward to hearing from you.

Regards,

Station Quarter Travel Plan Coordinator
