Dear Sir/Madam,

Anglian Water Services Limited
Reference Number: SEW-12319

Hedgerow removal notice application for the removal of up to 34m of hedgerow across 4 locations:

- **TL 26679 71586 /W3W: curious.delusions.normal – 4m**
- **TL 26566 71527 / W3W: horns.lands.tucked – 10m**
- **TL 26562 71514 / W3W: skate.contour.chambers – 10m**
- **TL 26536 71319 / W3W: pump.worthy.horn – 10m**

To facilitate the installation of the 2no. new sewer rising mains to address growth in the Alconbury area, it is necessary to remove up to 34m of hedgerow across 4 locations. These removals will facilitate construction access.

I am writing to seek approval for the removal of the above sections of hedgerow as required under the Hedgerow Regulations 1997 (The Regulations).

The Regulations set out that it is for the Local Planning Authority (LPA) to decide whether to approve the notice or issue a hedgerow retention notice if the hedgerow has been identified as 'important' when assessed against the criteria in the Regulations and it does not consider that the circumstances justify its removal. If the hedgerow is not identified as important when assessed, then under the Regulations the LPA cannot refuse permission for its removal, notwithstanding planning policy.

Once the pipeline has been installed, the hedgerow will be reinstated in the next planting season using the following hedgerow specification.

Hedgerow Specification for Reinstatement			
Species	**Age**	**Form and Height**	**% Mix**
Hawthorn	1 +1	TP 45-60	60
Blackthorn	1 +1	TP 45-60	25
Field Maple	1 +1	TP 45-60	5
Dogwood	1 +1	TP 45-60	5
Dogrose	1 +1	TP 45-60	5

The hedge shrubs will be planted in a mulch strip. 450mm apart in two staggered rows also 450mm apart.

All shrubs to be 45-60cm high bare root transplants, protected with 60cm high reinforced tubing and wooden splines.

I have included a location plan of the exact hedgerows to be removed.

Should you require any further information, or wish to discuss any aspects of this proposal, please do not hesitate to contact me.

Yours faithfully,

[redacted]
