Subject: Discharge of Condition

Dear Charlotte Dew

Land East Of West Newlands Somersham, 25/80125/COND, PLN-0227401

Thank you for your enquiry to discharge condition relating to the above development site. Please find our comments below.

Foul Water Comments: We have reviewed the Engineering Drawings Plans 1 to 7 submitted with the condition application 25/80125/COND, and we can recommend condition 7 -Foul Water Drainage of the Approved Planning 15/00917/OUT to be discharged.

Surface Water Comments: We have reviewed the Engineering Drawings Plans 1 to 7 submitted with the condition application 25/80125/COND and the proposed surface water discharge method is into the local ditch/drain therefore we are unbale to make comments on the condition 6 Surface Water Drainage of the approved application 15/00917/OUT

Should you have any queries or comments regarding this please contact us at planningliaison@anglianwater.co.uk or 07929 786 955 quoting reference PLN-0227401.

Kind Regards
Development Services Pre-Development Team
