Subject: Application Ref : 25/00928/FUL
Date: 24 June 2025 15:42:42

Good afternoon,

I oppose the planning application 25/00928/FUL due to the following concerns...

Our primary concern is not with the shed's existence, but rather its potential use for housing livestock, which we DO object to and which it has been used for in the past.

For several summers now, the shed has generated considerable noise and an unpleasant smell which has made our garden less enjoyable and more restrictive to use.

The noise also has a detrimental effect on our dog, causing agitation.

We are also concerned about the increased risk of vermin this sort of activity could bring.

Regards
