Our Ref: 25/80007/COND
Your Ref: Conditions 38 Lucks Lane Buck...

7th March 2025

Dear Mr Goldsmith

Town And Country Planning (Development Management Procedure) (England) Order 2015 (Amended).

Proposal: Discharge of condition 4 (Tree Protection Plan) of 24/01829/HHFUL

Site address: 38 Lucks Lane Buckden St Neots PE19 5TQ

Applicant: Mr Ashley Robert-Taylor

I refer to your application above received on 14 January 2025 and the plans, drawings and documents which form part of the application as described below.

The following condition/s are Approved

Condition 4 - TPP
Condition Wording:
No development, demolition, clearance or preparatory operations (including excavations and archaeology), hereafter referred to as "the works", shall commence on site in connection with the development hereby approved, until a Tree Protection Plan has been submitted to, and approved in writing by the Local Planning Authority. The approved Tree Protection Plan shall be implemented before any equipment, machinery, or materials are brought on to the site in connection with the works, be retained intact for the duration of the construction works and only be removed or altered with the prior written approval of the Local Planning Authority.

Any trees, shrubs or hedges covered by the agreed protection measures, which die or become severely damaged either from natural causes or as a result of the construction works; during the construction works or within five years from the completion of the construction works, shall be replaced with trees, shrubs or hedge plants of similar size and species, unless otherwise agreed in writing with the Local Planning Authority. Replacement

planting to be undertaken by the end of the next available planting season (Planting season is 1st November to 31st March).

Reason:
This is a pre-commencement condition to ensure that initial site operations do not harm any trees, shrubs and hedges to be retained on and adjacent to the site (and if necessary their replacement) in the interests of visual amenity, and to enhance the character and appearance of the site in accordance with Policies LP12 and LP31 of the Huntingdonshire Local Plan to 2036.

Documents/ Drawings:
JLG987/TPP - Tree Protection information
JLG987/01 Rev C - Plans and Elevations

Consultations:
HDC Arboricultural Officer has been consulted and comments that the information submitted is sufficient and acceptable.

Officer Conclusion:
Officers have considered the submitted information in combination with the comments from the Arboricultual officer and consider the information sufficent and acceptable to discharge condition 4.

Therefore Condition 4 is discharged in full.

Where conditions have been discharged by the Local Planning Authority or where the condition details are acceptable but cannot be discharged, the works must be implemented in full accordance with the approved details and the development shall be retained as such thereafter.

Yours sincerely

Clara Kerr
Chief Planning Officer
