Tree I.D.	Species	Age Class	Condition	Findings	Recommendations	Priority	Cost	Work Undertaken
SITE 1 - RECREATION GROUND								
T1	London Plane	M	F	Multi stem from 4ms. Long over-extended limbs over field and bench. Epicormic growth on longer over-extended limbs has been removed. Moderate deadwood.	Remove deadwood.	B		
T2	Willow	M	P	Multi stem from 1.5ms with failed stem. Previously pollarded.	Repollard.	B		
T5 – T10	x6 Limes	M	F	Single stem trees. Some large deadwood and basal growth. Large deadwood on T5, T6 and T7.	Remove basal growth to allow more accurate assessment at next survey and remove deadwood from T5, T6 and T7	A		
T13	Willow	M	F	Single stem tree. Decay in main stem at 2ms. Large amount of deadwood.	Pollard at 4ms (this will incorporate removal of deadwood)	B		
T15	Willow	M	F	Multi stem from 2.5ms. Previously pollarded. No significant defects.	Repollard within 2 years.	C		
T22	Willow	M	F	Single stem tree. Severe decay at base.	Reduce to leave at 2.5ms.	B		
T26	Ash	M	F	Multi stem from 2.5ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B/C		
T28	Sycamore	M	F	Twin stem from 1.5ms. Signs of Sooty Bark Disease. Moderate deadwood.	Remove deadwood and re-inspect in Summer 2026.	B DN		
T30	Sycamore	M	F	Twin stem from 2.5ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B/C		

Tree I.D.	Species	Age Class	Condition	Findings	Recommendations	Priority	Cost	Work Undertaken
T31	Ash	M	F	Multi stem from 2.5ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B/C		
T32	Ash	M	F	Multi stem from 3ms. Moderate deadwood and rubbing limb.	Remove deadwood.	B/C		
T34	Oak	M	F	Single stem tree. Moderate to large amount of deadwood. No other significant defects.	Remove deadwood.	B		
T35	Ash	M	P	Tree in decline. Moderate deadwood and lodged dead stem.	Remove deadwood.	B		
T36	Sycamore	M	P	Twin stem from 3ms. Tree in decline. Sooty Bark disease evident. Large amount of deadwood.	Fell.	B		
T37	Ash	M	F	Multi stem from 2.5ms. Moderate deadwood within crown.	Remove deadwood.	B/C		
T44	Willow	M	F	Single stem tree. Decay in main stem.	Pollard at 2ms.	B/C		
T45	Oak	M	F	Multi stem from 1.5ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B		
T49	Lombardy Poplar	M	F	Previously pollarded. Minor deadwood.	Re-pollard within 3 years.			
T53	Sycamore	M	F	Multi stem from 1.2ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B/C		
T56	Sycamore	M	F	Twin stem from 3ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B/C		

Tree I.D.	Species	Age Class	Condition	Findings	Recommendations	Priority	Cost	Work Undertaken
T59	Red Chestnut	M	P	Bleeding canker evident and Ganoderma at base and main stem. Severe decay.	Fell.	B/C		
T63	Sycamore	M	F	Multi stem from 4ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B/C		
T64	Sycamore	M	F	Multi stem from 1.5ms. Large amount of deadwood. No other significant defects.	Remove deadwood.	B		
T66	Beech	M	F	Single stem. Moderate deadwood. No other significant defects.	Remove deadwood.	B/C		
T69	Sycamore	M	F	Twin stem from 2.5ms. Moderate to large amount of deadwood. No other significant defects.	Remove deadwood.	B		
T70	Sycamore	M	P	Twin stem from 3ms. Sooty Bark disease.	Fell.	B		
T71	Beech	M	F	Multi stem from 1.5ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B		
T72	Oak	M	F	Twin stem from 5ms. Moderate deadwood. N other significant defects.	Remove deadwood.	B		
T73	Willow	M	P	Multi stem from 4ms. Severe decay in main stem and failed pollarded stem.	Fell due to decay.	B		
T79	Willow	M	F	Twin stem from 5ms. Previously pollarded. Minor deadwood overhanging footpath. Woodpecker hole on main stem.	Carry out climbing inspection to determine extent of decay.	A		
T82	Silver Birch	M	P	Twin stem from 2.5ms. Poor physiological condition with	Removed deadwood and re inspect SUMMER 2026	B DN		

Tree I.D.	Species	Age Class	Condition	Findings	Recommendations	Priority	Cost	Work Undertaken
				very sparse crown. Moderate deadwood.				
T86	Norway Maple	M	F	Twin stem from 4ms. Moderate deadwood. No other significant defects.	Remove deadwood.	B
