RE: ***Application description***

Proposal: Discharge of Condition 14 (Off-site highway improvements) for 23/01578/S73
Location: Sawtry Services Great North Road Sawtry

Following a review of the documents provided to the Highway Authority as part of the above planning application, I can confirm that the details provided for Condition 14 (Off-site highway improvements) do not include two of the latest drawings.

8658-MJM-XX-XX-DR-D-6655-S4-P07 Proposed Road Markings and Signage Layout S278 should be 8658-MJM-XX-XX-DR-D-6655-S4-P08.

WLC1080-1300-001_R0 Proposed Adoptable Street Lighting Layout should be WLC1080-1300-001_R4

Also, 8658-MJM-XX-XX-DR-D-6604-S4-P01 S278 Route Signing Schedule should be included.

In addition, Condition 14 states that "…a scheme for off-site highway improvement works, to include a scheme to prevent vehicles parking on the highway verges in the vicinity of the site, that includes a timetable for review and monitoring of parking on highway verges and implementation of preventative measures shall be submitted to and approved in writing by the Local Planning Authority". The scheme for the prevention of parking on verges has not yet been submitted.

Defer for the above amendments and submission.

Jo Challis

Highways Development Management Engineer
