**25/80051/COND|Discharge of conditions 6 (landscaping), 8 (archaeology), 9 (foul and surface water), 10 (biodiversity enhancements) and 15 (bin and bike stores) of 22/00793/FUL|Stonely House 37 - 41 Main Road Stonely St Neots PE19 5EH**

Dear Hannah,

Thank you for the consultation with regards to the discharge of the archaeological condition. The site has been subject to an archaeological evaluation which uncovered evidence of the further post medieval buildings and wells surrounding the current existing building. The House was also subject to a programme of Historic Building Recording which indicated a number of phases within the building.

**We have no further recommendations or requirement and support the discharge of the condition.**

Kind regards
Lu

Lu Speariett
