RE: ***Application description***

Proposal: Discharge of Condition 5 (Landscaping), 7 (Levels), 12 (Contamination), 13 (Construction Environmental Management Plan) and 15 (Drainage) of 22/02302/FUL.
Location: Land North Of 51 London Lane Great Paxton

In relation to the discharge of conditions I would have the following comments.

5 (Landscaping), Not a highway condition, no comments to make
7 (Levels), Not a highway condition, no comments to make
12 (Contamination), Not a highway condition, no comments to make
13 (Construction Environmental Management Plan)Although not requested by the Highway Authority it appears to be satisfactory in relation to the highway given the scale of the development
15 (Drainage) Acco drainage is indicated at the highway boundary and is acceptable.
