Good morning Richard

Thank you for your email and apologies for the delay in responding.

The redevelopment of our piggery has been a lengthy process, initially applying for prior approval back in 2015. Our original intention was to create annexe-style accommodation for my parents-in-law, but due to various circumstances, this became less feasible. We subsequently submitted a plan, originally sketched by me, for accommodation that would suit my husband and me in later life (please see attached).

I hope this serves as sufficient evidence of our long-standing intention to self-build this property. If you require any additional information, please don't hesitate to ask, and I'll be more than happy to assist.

Kind regards

Kim Bluff
