ABBOTSLEY PARISH COUNCIL

Clerk to the Council: [redacted] Bridge House, 27 Church Street, Buckden, St Neots, Cambridgeshire PE19 5TP
[redacted]

Huntingdonshire District Council

1st April 2025

Schedule of proposed works

No. on plan	Species	Tag No.	Proposed work	Reason for work
T020	Ash (Fraxinus sp.)	Tag 0842	Remove significant deadwood over 2.5cm diameter.	Some significant dead wood in the upper canopy over the footpath.
T023	Common Ash (Fraxinus excelsior)	Tag not visible	Crown reduce by 3-4m back to good viable growth points in all cases.	Tree is directly situated on the side of a small stream. The tree has a slight lean to the southeast towards the neighbouring properties. The stream is beginning to significantly undercut the tree causing root instability. Some significant dead wood in the upper crown as well as some minor die back.
T012	Elm (Ulmis sp.)	Tag 0850	Remove trees	Two dead trees.
T013	Common Ash (Fraxinus excelsior)	Tag 0849	Remove significant dead wood over 2.5cm in diameter.	Upper canopy is showing some significant die back.
T014	Elm (Ulmis sp.)	Tag 0807	Remove tree	Tree in decline with dutch elm disease.
T015	Elm (Ulmis sp.)	Tag 0847	Remove tree	Tree has succumbed to dutch elm disease.
T016	Elm (Ulmis sp.)	Tag Not visible	Remove tree	Tree has succumbed to dutch elm disease.
T017	Elm (Ulmis sp.)	Tag 0845	Remove tree	Tree has succumbed to dutch elm disease.

T018	Elm (Ulmis sp.)	Tag 0844	Remove tree	Tree has succumbed to dutch elm disease
E1	Elder	No tag	Remove tree	Tree has fallen across ditch on to the fence of neighbouring resident's property.

Reasons for proposed works

Abbotsley Parish Council wishes to undertake these works as they have been recommended in the arborist's report. The survey was undertaken 10th December 2024.

It is wished to remove the fallen elder as this has fallen across the ditch on to the fence of a resident's property.
