Reasons for comment:	
Comments:	I moved to Great Gransden from [redacted]. One reason for choosing Great Gransden was because it had a pub. It was a well used and socially active establishment where I made my first local connections. Since then there has been a change of ownership and Covid. Since Covid I believe the pub has not opened its doors. I haven't seen any attempt since lockdown to run the pub as a going concern. We may lose a valuable community asset if a change of use application is approved. I supported the pub before Covid and I would definitely do so again if the pub were to be maintained. There was a thriving music aspect to the pub, before Covid there was an extremely well attended Boxing Day musical event. I strongly oppose this application.

Kind regards
