Subject: Re: Listed Building Consent - 18 - 19 High Street Huntingdon (ref 24/00105/LBC)
Date: 30 April 2025 19:17:27

To whom it may concern,

Proposal: Works to back wall of property including brickwork repair, repointing and relaying of some brickwork. Removal of loose brickwork, re-lay and repoint degraded areas.

Site address: 18 - 19 High StreetHuntingdon

Reference: 24/00105/LBC

I am writing in regards to the above listed building application to have the rear wall of my property repointed.

I recieved the consent letter 24/6/2024 There was however a condition attached that we have a test area carried out showing the mortar that will be used to match to the wall.
I attach a photograph of the test piece that has been carried out and as the letter we received informed me . once we have done the test area the local planning authority will need to come out and inspect the area and then once inspected I must submit the mortar specifications so as to have this agreed before the works can be carried out.
I do hope I've understood this correctly.

The picture I have attached shows the test piece as it had just been applied. The mortar in the photograph is wet and I have been advised that as this dries it will dry up to match the existing walls.

I look forward to hearing from you soon.

Yours faithfully
[redacted]
