Comments:	We are writing yo strongly object to the Lawful Development proposed behind our House at 16 Green End. We have lived at 20 Green End for [redacted] and were attracted to the property as it was situated down a quiet country lane and was a character house built firstly in the 1600s and the added to in the 1800s. Since we moved in there has been more development making the road far too busy with the amount of traffic which is damaging the road. The proposed dwelling is not only white which will be an eyesore when we look out of our back windows but also definitely not in keeping with the rest of the surrounding properties. We are so concerned that not only will it spoil our enjoyment of living here but detract heavily on the market value of this lovely old house. We hope that you will consider this objection strongly.

Kind regards
