Reasons for comment:	
Comments:	This area is very quiet during the night but there are still occasional people passing by the alley way leading to the gym. I do not think the 24h gym will pose a risk of a noise nuisance. However, if doors have a 'beep' sound when client enters the gym, than I would advise to switch it off during the nighttime, as due to nature of the locality it might intermediating for the neighboring community.

Kind regards
