Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support the proposals, this has no impact on appearance to the front of the house nor does it change the aesthetic of the street. This proposal only effects the rear of the house, to which the house faces out onto fields and therefore no implication to surrounding, rear property view or light, due to the single story aspect.

Kind regards
