Subject: RE: Planning Permission Consultation - Units 4 And 5 Cromwell Court High Street - ref 25/00522/LBC and 25/00293/FUL

Dear Olivia,

Thank you for the extension.

The parish council met last night and wish to make the following comments: the planning application is accepted to allow the retail space to become more appealing. The parish council would propose a material change to the roof structure to drop it slightly subservient to the building next to it to 6 inches below the roof line.

Kind regards,

Jo Russel

Clerk
