Categories: [redacted]

Dear Development Control and Hannah Hodges,

PLEASE NOTE: THIS EMAIL IS ON BEHALF OF [redacted], 69 HIGH STREET, [redacted] TO HUNTINGDONSHIRE PLANNING DEPARTMENT.

[redacted] has asked us to contact you on [redacted] behalf as [redacted] does not have any email access. [redacted] wishes to convey his comments/response to the above development. You can contact [redacted] at [redacted] home address (above).

[redacted] has concerns regarding this proposed development due to:

1) The narrowness of the road at the point between 69 High Street and 2 Harbins Lane for increased traffic flow.
2) The impact of increased residential traffic on [redacted] property. Please see photograph of the damage to the hedge of 69 High Street, caused by large vehicles accessing this small lane.
3) Damage which can result to the sewage pipe which runs to the Harbins Lane pumping station which passes close to [redacted] property and has just been repaired due to damage resulting from traffic vibration.
4) The proposed large house will increase pressure on this small lane. The lane is too narrow for more development.

Thank you for your time and consideration.

[redacted] on behalf [redacted]. All of the above are [redacted] comments.
