RE: ***Application description***

Proposal: Discharge of Condition 8 (Off-Site Highway Improvement) of 23/02319/S73
Location: Pringle Farm Pringle Way Little Stukeley

In relation to this recent consultation, I can see no further submissions since my initial response, dated 29/4/25. No further comments to add

In relation to discharge of condition 8 that submitted indicates the geometry agreed during the application and the construction looks to be acceptable, Although as this element will form a 278 agreement with the Highway Authority this will be looked at in depth during the vetting stage.
Given the above I have no objection in relation to the conditions eventual discharge
