1. Condition
   The works authorised by this consent shall be completed before the expiration of 2 years from the date of this permission.

   Reason: To define the time period in which the approved works are permitted to be undertaken.

2. Condition
   Condition 2 (a): All works shall be carried out so as to conform to British Standard 3998:2010 Tree works - Recommendations.
   Reason: In the interest of hte future well-being of the tree(s) on which work is being carried out in accordance with Policy LP31 of the Huntingdonshire Local Plan to 2036.

   Condition 2 (b): The works, as detailed in the application, qualified by these conditions and authorised by this consent:
   (a) may not be carried out more than once, unless by a further grant of consent;
   (b) shall be completed in their entirety.
   Reason: To define the scope in which the approved works are permitted to be undertaken.

3. Reason for Refusal
   Loss of the Beech would have an adverse effect on the landscape.

4. Reason for Refusal
   The Beech did not appear to dominate the garden. An application for crown raising or lateral reduction would be considered once the tree is in full leaf.

NOTES

1. **Right of Appeal:** If you disagree with our decision you can appeal to the Secretary of State responsible for planning. If you want to appeal you must do so to: The Environment Team, The Planning Inspectorate, Room 4/04, Kite Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (email: environment.appeals@pins.gsi.gov.uk) within 28 days from the date you receive this decision.

2. **Compensation**: If you suffer any loss or damage as a result of this decision, you may be entitled to recover from the Council compensation. If you wish to make a claim you must do so within 12 months from the date of this decision (or, if you appeal to the secretary of State, within 12 months of the date of his decision). 3. **Limitation:** This decision notice does not convey any approval or consent which may be required under any enactment, bye-law or regulation other than Section 57 of the Town and Country Planning Act 1990.

4. **Trees and Wildlife**: Trees are hosts to nesting birds, many of which are protected by law. Investigations should be carried out for signs of bats (all of which are protected by law) and nesting birds and advice sought from appropriate agencies such as Natural England, the Bat Conservation Trust (BCT) or the Royal Society for the Protection of Birds (RSPB) following any positive sightings. Tree works should be planned carefully to avoid disturbing nesting birds and roosting bats. The disturbance of protected species is an offence and could result in prosecution, a criminal record and a substantial fine.
