Has the proposal been started?

- [ ] Yes

## Grounds for Application

**Information about the existing use(s)**

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposal is for the addition of 2 skylights into the existing single storey element of the west elevation of the property, and the lengthening of 2 windows in the same area. The proposal does not include any enlargement to the property and is in line with the GPDO 2015 legislation.

## Site Visit

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
