Subject: Planning Application responses

Categories: [redacted]

Good Morning,

I have tried on a number of browsers to use the Planning Portal to respond to the Planning Applications and all have failed when submitting the responses from the comments page with the following error message.

Please accept the Parish Councils responses as follows –

26/01540/FUL	Erection of a bungalow (Plot 9a) pursuant to earlier permissions 20/01638/FUL & 21/00740/S73 : Land At 9 Folly Close Yaxley	As previously stated, the Parish Council supports this application, as the proposed build is of a good design and layout.
26/01820/FUL	Erection of side and rear extension to provide garaging and ancillary residential annex including change of use of small area of adjacent paddock to domestic curtilage (revised scheme following approval of 25/01854/FUL): Haddon House Church Street Yaxley	As previously stated, the Parish Council supports this application.

Many thanks

[redacted]
Clerk and RFO to Yaxley Parish Council
