Proposal: Change of use to operational land, extension to existing substation alongside fencing and associated works.

Land At Eastern Edge Of Little Staughton Solar Farm Little Staughton Airfield Little Staughton

Comments from Lead Local Flood Authority (LLFA)

Dear Robyn,

Thank you for your consultation which we received on 7th August 2025.

The application is for a change of land use due to an extension of the existing substation; we therefore have no comments to make. We expect the surface water drainage details to come forward with the condition imposed on 22/01813/FUL.

Yours sincerely,

H Tandy
