Details of the pre-application advice received

Phone conversation with Nick Armour to discuss the principle of the work and his informal view of the proposal.

Nick Armour agreed that, given the windows are modern replacements, that the proposal would not result in a loss of historic fabric, character of value, and as such an application for like-for-like replacement (including slimlite double glazing) would be acceptable. The proposed joinery details were shown to the Conservation Officer and they were found to be acceptable.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
