Please find attached the TPO and sketch plan for works.

With regard to the pruning of the trees ,our estimates are as follows:
Tree 1 - Sycamore - 25% crown reduction - approx 2.5m
Trees 2/3 - Yew - trim approximately 2m on girth and height
Tree 4 - Acacia - crown reduction around 2m
Tree 5 - Bay - crown reduction - approximately 2.5m
Tree 6 - Cherry blossom - approximately reduction of 1m

Many thanks for your assistance

Best regards
