Subject: Planning application 24/02312/LBC

We own and live in 14 High Street, the property directly adjacent to the above planning application, and most affected by the proposal.

Whilst we are very pleased to see the property being upgraded, we have some concerns about the impact of the light into some of our rooms.

Unfortunately, because of Christmas we have only recently received the letter informing us of the application and not had to time to fully research the impact it might have.

This being the case, we are requesting an extension of the 9th of January closing date for comments. A week more until the 16th should give us sufficient time.

Thanks and kind regards,

[redacted]

14 High Street,
Earith
