Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

I am writing to request permission to repaint the exterior window frames and details of our Grade II listed cottage. The windows are currently finished in black, and we would like to change the colour to a green or sage green shade.

This proposed alteration is purely aesthetic and intended to better suit our personal preference and the overall character we wish to maintain for the property.
Importantly, this request concerns only the colour of the existing window frames and details. We do not intend to alter, replace, or modify the windows in any physical or structural way. All materials, dimensions, and architectural features will remain exactly as they are. The repainting will be carried out with appropriate care to ensure the work is sympathetic to the building's historic nature and fully compliant with conservation standards.
We appreciate the significance of owning a listed property and are committed to preserving its heritage. We kindly ask for approval to proceed with this minor decorative change.
