Reasons for comment:	
Comments:	To Whom it may concern, I think this infill development will improve the appearance of the approach to Somersham or Colne, in which ever direction you are travelling. Currently there is an open field hidden by a high hedge. I believe the development of 5 smart and modern Self-Build houses will enhance the area considerably. I have no doubt the owners will cut the hedge and keep this part of the Somersham Road more neat and tidy than it is currently. Regards, [redacted]

Kind regards
