Dear Planning Officer,

I refer to the above planning application and I have tried to comment on the HDC website and keep receiving server error messages.

The Parish Council's response is

Recommend approval. It was agreed that the planning application will have no detrimental impact on either the area or neighbouring properties

However, the Council does not support the additional reduction for tree A1 (G13 on survey).It was not easy to identify the trees with the information provided.

Kind regards,
