Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	The illustration of the 'Estate fencing (green)' goes slightly beyond the property boundary and over the laurel hedging in the neighbouring garden. I assume this is due to the precision of the drawings and that modifying boundaries is not being proposed. I am supportive of the application on condition that the planned estate fencing is in line with the existing property boundary, and that the existing property boundary fencing in this area will not be removed.

Kind regards
