Application: Advertisement to display 5 x fascial logo signs, 3 x totem/monolith signs, 3 x digital poster signs, BP petrol garage signs and various road/wayfinding signage.

Location: Sawtry Services, Great North Road, Sawtry.

The Local Highway Authority raises no objections to the proposed signing.

From the information provided the signs/advertising appears to be located clear of Toll Bar Way, to be simple in nature and of Illumination level appropriate to the rural nature of the area and I do not therefore object to their installation. The applicant must ensure that the signs and any foundations are not constructed within or project over the public highway.
