Huntingdon Town Council Comments – 16th December 2025

[redacted]

24/02411/FUL Conversion of the outbuilding to self contained residential use 16A Euston Street Huntingdon PE29 3QS

Recommend refusal on the basis of overdevelopment in a crowded area, and we do not believe it is reasonable to expect no need for private parking provision and therefore refute the claimed support from Neighbourhood Plan policy TT1. Overdevelopment of this site would exacerbate a difficult area for parking and restrict access.
