1. Reason.
   The development by virtue of its siting, design, appearance, and features, including the proposed first floor balustrade and balcony, introduces an unsympathetic visual addition and would result in an extension which fail to assimilate itself with the design, appearance and proportions of the host dwelling and its surroundings, contrary to Policies LP11 and LP12 of Huntingdonshire's Local Plan to 2036 and parts C1, C2, I1 and I2 of the National Design Guide (2021) in this regard.

2. Reason.
   The development by virtue of its siting, design, appearance, and features, including the proposed first floor balustrade, introduces an unsympathetic visual addition to the historic cottage and its rear wing extension, which results in visual harm to the significance and character and

appearance and proportions of the host property. It would also result in harm to the setting and significance of the nearby Listed buildings 22, 24 and 26 and to the character and appearance of the Conservation Area. Whilst the harm is less than substantial there are no public benefits which would outweigh this harm. The proposal is therefore contrary to Policy LP34 of the Local Plan and the NPPF.

NOTES

Rights of Appeal under the Town and Country Planning Act, 1990 Section 78.

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant permission subject to conditions, he/she may appeal to the Secretary of State responsible for planning within;

- **Twelve weeks from the date of this decision notice.**

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN. Alternatively all forms can be downloaded from their website www.planning-inspectorate.gov.uk. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances, which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the Development Orders and to any directions given under the Orders. He does not, in practice, refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him.

If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State responsible for planning and the owner of the land claims that the land has become incapable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provision of Part VI of the Town and Country Planning Act, 1990.

Claiming Compensation

In certain circumstances, a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
