**RE:** ***Application description***

**Proposal:** Proposed garage conversion to annex, with new covered link. Erection of new detached garage
**Location**: 21 Church Road Catworth Huntingdon PE28 0PA

Following a review of the documents provided to the Highway Authority as part of the above planning application, it was noted that, as the annexe is currently intended for an elderly family member, no parking has been allocated to it.

However, as the new drive and garage are being constructed on the south side of the property, there is adequate parking and turning in front of the annexe for visitors, carers etc.

Therefore, no significant adverse effect upon the Public Highway should result from this proposal should it gain benefit of Planning Permission.

Jo Challis
