Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The access road to this proposal will result in increased traffic coming on to Warboys Road on a bend that is already obscured from oncoming traffic. The traffic is not only cars and motor cycles but large HGVs and farm vehicles.This proposal will increase the hazards we already have trying to access the main road from our property which is adjacent to the proposed access road.

Kind regards
