Please accept this email as our objection to Planning Application 26/01902/HHFUL due to your Online Planning System currently being out of action.

Dear Planning Officer,

Regarding planning application 26/01902/HHFUL for Glatton Hall PE28 5RS, we would like the Council to note the following points:

[redacted]

2. The application plans should not be taken as an admission or determination of the true legal boundary position.

[redacted]

4. The Council should ensure that no planning permission is construed as endorsing or determining ownership of any land or boundary features included within the submitted plans.

5. We reserve all rights in relation to the boundary dispute and any related claims.

Due to the application site including land not owned by the applicant, we understand the applicant cannot validly sign Ownership Certificate A. To our knowledge, no formal notice (under Certificate B) has been served on us as an affected landowner.

We would ask that the Council verify the Ownership Certificate and treat the application as invalid until the correct notices are served and accurate plans are submitted.

Kind regards
