RE: ***Application description***

Proposal: Demolition of existing garage and erection of replacement garage
Location: 6A New Road Ramsey Huntingdon PE26 1EE

Following a review of the documents provided to the Highway Authority as part of the above planning application, it was noted that Drawing 24235-1300 Rev. P2 indicates that the garage door is an 'up an over' opening type which is acceptable.

However, the applicant should ensure that, if this is not the case, then any door/doors do not open over the highway.

Therefore, no significant adverse effect upon the Public Highway should result from this proposal should it gain benefit of Planning Permission.
