30th December 2024

Dear Sir/Madam

Proposal: **Erect 1 x wind turbine 65m high (hub height) involving removal of existing wind turbine**

Site address: **Land South East Of Pondersbridge Farm Oilmills Road Pondersbridge Cambridgeshire**

In response to your consultation letter received on 31st October 2024, in respect of the above, Huntingdonshire District Council has **no objection** to raise. It is noted that the proposal seeks to replace an existing wind turbine in a similar position, albeit the replacement turbine would be greater in height. In most viewpoints, the wind turbine would be seen in the context of the existing Glass Moor wind farm to the east.

Please note that there are constraints within our district that may be relevant to the consideration of this application. I attach a plan showing these, which include the Great Fen Project Area and Great Fen Landscape and Visual Setting which lies to the west.

I trust that this information is of assistance to you. Should you wish to discuss this matter further then please contact Lucy Pateman by email: lucy.pateman@huntingdonshire.gov.uk.

Yours Sincerely,

C. Kerr
