Application: Land North West of Spittals Way and Ermine Street, Great Stukeley.

Location: Discharge of condition 15 (Construction SUDS) of 18/01918/OUT

It does not appear that the inclusion of condition 15 was requested by the Highway Authorities Development Management team and I would therefore defer to the LLFA's observations in this regard. The applicant must however be satisfied that any permanent works will not conflict with the requirements of any s38 agreements for this site that may otherwise compromise adoption.
