RE: ***Application description***

Proposal: Conversion of agricultural barn to single dwelling (with demolition of one of the extensions to the barn)

Site address: Agricultural Buildings Stone Farm The Hollow

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that the application is for conversion of an existing agricultural barn into a single dwelling and demolition of a lean-to extension to the barn.

All demolition works must be carried out on site and off the highway.

Based on the information submitted, from the perspective of the Local Highway Authority the proposed development is acceptable
