RE: ***Application description***

Proposal: Variation of condition 2 (approved plans) of 24/00433/FUL

Location: Agricultural Buildings Washingley Farm Green End

Following a review of the documents provided to the Highway Authority as part of the above variation of conditions I have noted that there are no proposed changes to the plans which would have any significant impact on the highway and the Local Highway Authority has no objections. The previous comments and recommended conditions already submitted to the planning application reference 24/00433/FUL still apply.
