Dear Sir/Madam,

In response to your letter re. Comments to above planning application.
I have found these changes to have caused a huge amount of noise disturbance to both me and a number of the elderly residents of School Road. The music at this venue is so loud that my home vibrates. Have to close all windows and doors and can still hear noise above my TV. Generator noise and bouncy castles also causes noise disturbance. Turned a peaceful location into a horrible one to live in, when the venue is in use.
