RE: ***Application description***

Proposal: Change of use to dwelling, changes to windows and internal alterations (Unit 2)

Site address: Office Between The Old Piggery And Unit 3 Fen Road Pidley

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that the application is for change of use from an industrial unit into a dwelling. The dwelling will use existing parking and access onto the highway.

The Local Highway Authority raises no objections to the proposed development.
