RE: Application description
Proposal: Change of use to operational land, extension to existing substation alongside fencing and associated works.

Site address: Land At Eastern Edge Of Little Staughton Solar Farm Little Staughton Airfield Little Staughton

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted the site is accessed by an existing private access road from the B645 Kimbolton Road Hail Weston. The site is remote from the public highway and the effect of the proposed development upon the public highway should be minimal.

The Local Highway Authority raises no objections to the proposed development.
