RE: ***Application description***

Proposal: Permission in principle for 4 to 9 dwellings
Location: Land North Of 20 To 26 Heath Road and North of Heath Farm Heath Road Warboys

Following a review of the documents provided to the Highway Authority as part of the above planning application, it was noted that there has been an amendment to the red line boundary.

I would have no objections in principle however, the access will need to meet the requirements for a shared access in our General Principles for Development document *Highways development - Cambridgeshire County Council* including visibility splays.

Further details of the access design including any accommodation works and drainage shall be expected as part of the Technical Details Consent application.
